**What do you want to sell at the Coop? Pick up to 4 items to start**

Product Name & Description	Retail \$	Coop \$*

**\*Pricing Suggestion: 35% or more off your retail pricing.**

*Our best practice is to sell your products for the same as you charge: we do not want to undercut your business with lower prices, \*and\* we need to sell all of your inventory, which is much harder if we have higher prices. We can cover **most** of our overhead at this level.*
